Dear Rohit,

Notice anything unusual about the attached claims? When do You make an application for CAET for Joachim Heinrich von Dehn. Are You the One making these fraudulent claims against My father?

I Wish for You to pay VERY CLOSE ATTENTION to the two attached Claims. First, no One has been appointed a Certificate of Appointment of Estate Trustee, and no application for an ETDL has been made, so where did You gain right to Act and speak for My father without My knowledge or consent?

It would appear as though some One has removed the guilty party from the first Claim and are framing My father for her crimes!!! My father was driving intoxicated, without a license, and fled the scene of the accident?

You best be able to prove those facts or I Will be as King for \$3 million dollars for Your libelous defamation of My father's Good Character.

I'm looking forward to an explain a Sean. [This Will be published later today for a 'Cast and Crew Intermission'](#).

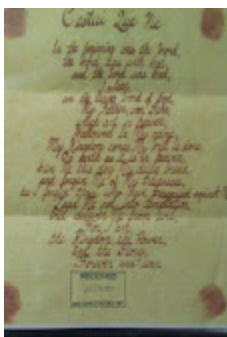

I can't for the life of Me why You would be aiding and abetting insurance fraud as a representative for Intact Insurance, but I've long since stopped trying to comprehend People's criminal motive. Some One must be paying You well to cheat Me - cheaters never win.

There's a Trust Instrument on file with Canada's MOJAG protecting My father's Estate - I am the Trustee and Executor, You have some explaining to do.

I need to know if these People were compensated, and how much.

Good morning, Rohit,

I'm still waiting for some reasonable explain a Sean for Your fraud. What's wrong, elephant got Your tongue?

"You best be able to prove those facts or I Will be as King for \$3 million dollars for Your libelous defamation of My father's Good Character."

Considering insurance fraud and aiding and abetting the criminal offenses of Tiffany Singh appear to be the primary motive of all People conspiring against Me and My father's Estate, and because it would seem to Me that Your job as a lawyer for Intact Insurance *should be* to ensure that the claims made against Intact Insurance are NOT fraudulent, You appear to be colluding with these criminals, as well as betraying and stealing from Your employer. Is this something You do often?

I'm adding two million dollars to the Value of the original Claim against You for Your contempt and ignorance for failing to respond to My emails for the last two days.

If You don't respond before 5:00 Post Midi today, Wednesday, February 21st, 2024, You are presumed to plead no contest to the charges against You. A Man of Honour would respond IMMEDIATELY to provide some kind of reasonable explain a Sean.

But You say nothing. Nihil Dicit. I believe People who say nothing are guilty as charged, and so does the Rule of Law.

The next time You hear from Me, it Will be service of a Default Judgement against You for tacitly conceding to these facts by saying nothing, (Nihil Dicit), and Judgement Will be final (Res Judicata), binding, and subject to ten percent monthly compounding interest to provide You with some financial incentive to speak.

Your Character's name in Universal Pictures Special Present a Sean of '[Tiffany, Tanja, Michael and the Magnificent Estate Fraud Conspiracy](#)' Will be '[Rohit, the Sacrilegious Sethi](#)', a Starring Role in My Product-Sean showcasing liars posing as lawyers. I hope You enjoy the Show!

You are hereby served.
